

Pearson VUE Candidate Rules Agreement

Please review and sign the following exam rules, and ask the administrator if you have questions.

- I will not take the following types of personal items into the testing room: cellular phones, hand-held computers/personal digital assistants (PDAs) or other electronic devices, pagers, watches, wallets, purses, hats (and other head coverings), bags, coats, books and notes. Studying is not allowed in the test center.
- I will store these items in a secure area indicated by the administrator. Cellular phones, pagers, and other electronic devices must be turned off prior to placing them in the designated secure area. The testing center is not responsible for lost, stolen or misplaced personal items.
- If I am given an erasable noteboard or exam-specific materials, I will not use them until after the exam has started. I will not remove these items from the testing room at any time during the exam, and I will return them to the administrator immediately after the exam.
- The administrator will log me in to my assigned workstation, verify that I am taking the intended exam and start the exam. I will sit in my assigned seat until escorted out by a Test Administrator. I understand that eating, drinking, smoking, chewing gum and making noise that creates a disturbance for other candidates are prohibited during the exam.
- The administrator will monitor me continuously while I take my exam. The session may be videotaped or otherwise recorded for security or other purposes.
- If I experience problems that affect my ability to take the exam, I will notify the administrator **immediately**.
- The administrator cannot answer questions related to exam content. If I have questions of this nature, I will contact the exam sponsor after I leave the testing center.
- Break policies are established by the exam sponsor. Some exams may include **scheduled breaks**, and instructions will appear on the computer screen at the appropriate time; whether or not the exam timer stops depends on the sponsor's policy. If I take an **unscheduled break** at any other time, the exam timer will **not** be stopped. The administrator will set my workstation to the break mode, and I will take my ID with me when I leave the room. The administrator will check my ID before I return to my seat and will then restart my exam.
- While I am taking a **scheduled break**, I am permitted to access personal items that I stored during the exam. While I am taking an **unscheduled break**, I am NOT allowed access to personal items other than medication required at a specific time and with the approval of the test administrator. Items not permitted include but are not limited to: cellular phones, exam notes and study guides, unless specifically permitted by the exam sponsor.
- I will not try to remove copies of exam questions and answers from the testing center, and I will not share or discuss the questions or answers seen in my exam with other candidates.
- After the exam ends, the administrator will come to my workstation and ensure my exam has ended properly. The exam sponsors **may** display my score on the screen after the exam or **may** provide a printed score report. If a printed score report is provided, I will receive it **after** returning the erasable noteboard and other materials to the administrator.
